## **iNETT Receives Top Industry Award**

*Technology Assurance Group  
Awards Leading Technology  
Provider at their  
23<sup>rd</sup> Annual TAG Convention*

LOS ANGELES/VENTURA/ORANGE COUNTY/SAN DIEGO — May 15, 2024 — i-NETT, a leading managed technology services provider, announced today that the company received Technology Assurance Group's top award at the 23<sup>rd</sup> Annual TAG Convention held in Las Vegas. Technology Assurance Group (TAG), an organization of leading managed technology services providers in the United States and Canada representing \$800 million in annual products and services, selected i-NETT as the winner of the Outstanding Sales Performance Award.

The award is based on the company's ability to demonstrate excellence and provide a blend of technology that satisfies all the needs of small to mid-sized businesses. i-NETT offers an array of data networking, voice, and video solutions all designed to increase their customers' profitability and productivity. The Outstanding Sales Performance Award was received by Dale Stein, John Lehmkuhl, and Nick Dreyfus of i-NETT. "We are honored to accept this award. Our philosophy of providing technology solutions that increase our customers' profitability, improve employee productivity, and enhance brand image fueled our company's overall success," said Mr. Stein, Managing Partner of i-NETT.

"i-NETT continues to stand out as an exceptional TAG Member. It was no surprise that they received this award this year," commented Brian Suerth, President of TAG. "In 2023, they experienced phenomenal growth that propelled them past the best companies in the industry".

i-NETT is committed to providing exceptional value through managed services that assure a fixed cost for their business partners. Their highly trained and motivated professionals will constantly strive to offer proactive services that maximize the profits, productivity, and competitive advantages of those partners.
