Los Angeles/Ventura/Orange County/San Diego — February 29, 2016 — Voice Smart Networks, a leading provider of unified communications, announced today that the company has been invited to attend Technology Assurance Group's (TAG) annual convention. TAG is an organization of independently owned unified communication providers in North America who collectively represent \$350M in products and services. The event will take place on April 3-6th in Chicago, Illinois. This is an invite-only event that is focused on bringing great leaders together to collaborate on new trends, best business practices, emerging technologies and the associated impact on small to mid-sized businesses (SMBs). With leaders from all across the US and Canada in attendance, the knowledge transfer will be significant.

"We can't wait for it," stated Mark Wadnizak, Partner of Voice Smart Networks. "The TAG convention always stimulates our minds and opens us up to new ideas. It's an honor to be among this caliber of leaders and we look at this event as an opportunity to refine our competitive advantage. We consider it our duty to proactively seek out best practices, so we can continually deliver a

superior experience for all of our customers."

"We were pleased to hear that Mark would be attending," commented Brian Suerth, President of TAG. "As one of our key TAG members, Mark brings a wealth of hands-on experience adding value to our growing national network, providing strategic market coverage in our southern California market."

At the event, Mark Wadnizak will be sharing key insights, as well as collaborating with C-level leadership from other markets in order to innovate new ways of serving their customers. "In the technology field, companies that are complacent are falling woefully behind. That's why we make events like the TAG convention a priority. We learn new ways of doing business that continually increases our customers' profitability, while giving them a competitive advantage," stated Mr. Wadnizak. One of the top ten speakers in the world, Dan Clark, who was inducted into the National Speakers Hall of Fame and is continuously hired by extraordinary organizations including AT&T, NASA, Microsoft, National Football League, United Nations, Marriott Hotels, Lincoln Financial, Wells Fargo, Delta Airlines, McDonalds, will be the keynote speaker at this year's convention. Mr. Clark is a best-selling author and speaks regularly on topics including motivation, team-building, customer satisfaction and

leadership. Voice Smart Networks will surely learn a tremendous amount, as well as contribute to the betterment of the industry.
